(c) COMNAVAIRSYSCOM Itr 5400 ser AIR4.1/151 of Jan 20 2006

Encl (1) FOUO Technical Warrant Holders DoN and Naval Air Systems Command
(2) FOUO Department of the Navy (DoN) Anti-Tamper (AT) Technical Authority Roles and Responsibilities

1. In accordance with references (a) and (b), the Commander, Naval Air Systems Command (COMNAVAIRSYSCOM) will assume the responsibilities of the Anti-Tamper (AT) Technical Authority for the Navy effective 1 October 2006.

2. Enclosure (1) lists each SYSCOM Commanders AT Technical Warrant Holders (TWH) as requested in reference (c) and they will serve as each SYSCOM's subject matter expert on all AT matters.

3. Enclosure (2) provides the roles and responsibilities of each stakeholder in the AT process. The signature chain for AT plans is as follows:

   a. Program Manager signs as “approved” on the AT Plan and forwards it to their SYSCOM TWH for concurrence.

   b. SYSCOM TWH reviews the AT Plan and provides an endorsement to COMNAVAIRSYSCOM (AIR-4.0) via the Navy AT Office.

   c. AIR-4.0 provides final concurrence for AT plans and forwards it to the Program Milestone Decision Authority and Navy International Program Office (for Foreign Military Sales and DSC cases) with a copy to the Program Manager, SYSCOM TWH and Research, Development and Acquisition (Chief Engineer).

4. My point of contact for the Department of the Navy AT Technical Authority is Mr. Darrell Cole at (301) 342-9824, darrell.cole@navy.mil.
